

WEST OAKVILLE PRESCHOOL CENTRE WEEKLY INDOOR PROGRAM PLAN

For the Week of: October 2-6

Group: Toddler

This week's planned experiences are based on the following emerging interests and skill development:

Babies, singing sand, stuffed toys, blocks, instruments, fish, painting, strollers, books, leaves, ducks, balls, puzzles, water. A child kept discussing "Nemo" and there has been a sudden interest in fish, looking at fish in books and pointing them out and saying "fish". Children seem to enjoy interactive singing/music/musical instruments and are exploring with sounds.
